2024 - Financial Operation

http://www.expotv1.com/JWT_Rent_Lease_BACK_Sen_11023_2021.htm

Hello Sir, good morning;

Thank you for your attention and meticulousness; the quality of the materials at your disposal constitute a valid argument for proceeding; I can be the **Trustee** for every **Settlor** of a **TRUST/DOA** (I have RIGHTS on **193 WIPO/UN** States); for **TRUST/DOA** then carry out the operation for 15 M€/each, ...with your choice at least 325 times in the EU and over 3000 in BRICS.

The operation that highlighted with great legal force and benefits to our **Planet** (SDGs/UN), envisages the role of **Lessor** (Financial owner, rate to 5%) or **Renter** (Entrepreneur owner, rate to 10%), with authoritative controls (see [FCA - Financial Conduct Authority](#)), the Asset being in the absence of critical issues of any kind; **INDUSTRIAL RIGHTS PRESERVED** for much more than €15 million/each ([EU Valuation](#), normally in [ICC](#) and [FCA/SRB](#) economic transactions) of a generic site with 1 million inhabitants (recognized by the respective jurisprudence of GB, ES, FR, DE, IT, as and vincible here, http://www.expotv1.com/JWTeam_to_Ecological_TRANSITION.htm).

Please, can consider me as your potential **Trustee** or also **Counterparty** in your:

INCOME Investment - SRB (Sale and Rent BACK) on a site of your liking (yours and your Grantor's) with 1 million inhabitants, of your choice in IT, ES, FR, DE, GB (regulated on IBAN of PCRR JWTEAM SRLS, in Italy);

a) **DOA Purchase** - Deed Of Agreement for **Sale of RIGHTS** (€15 million) to a person of your **TRUST**, also with preliminary sale agreement of 5% ([notified](#) as indicated in http://www.expotv1.com/JWT_Rent_Lease_BACK.htm, at the end);

b) **DOA RL BACK** - We activate an **SPV** (Special Purpose Vehicle where you have chosen, with the consideration of the sale achieved) which receives **RIGHTS on Rent or Lease** (from your **TRUSTEE and owner**) and activates the relevant **Industrial Plan** and contextual your **INCOME Investment**, with also many agreed activities and pre-emptions, as soon as the entire sale transaction relating to the preliminary agreement is completed/balance; **...a lot of others great VAN(8%, 20y) and ROI for you!!!**

Awaiting your response, best regards.

Hi, Vito Lavanga.
