MAKES YOU KNOWN

starting from 01-06-2022 specific assets of intangible assets are placed in NFT (Not Fungible Token), related to the name and know-how of the Owner / Applicant on all Intellectual Property, recognized by WIPO / UN, attributable to Vito Lavanga (Italy, LVNVTI57E16I493K).

INTRODUCTION - This offer is part of a strong push towards the stimulus to sustainability, in every country on the planet; the know-how and name of the Owner / Applicants of the Intellectual Property registered on WIPO / UN, is made available exclusively to the beneficiary of the established asset, to carry out the relative development in the indicated country; the entire group of assets will be dynamically updated and available on [http://www.expotv1.com/LIC/\\$WLV_NFT/LISTV.ASP](http://www.expotv1.com/LIC/$WLV_NFT/LISTV.ASP) , it will be extended to any country not yet reached (subject to certification in public registers).

The generic "**Basic License** ", on a given territory, provides for authorization for the production, distribution and use of systems compliant with the patents attributable to Vito Lavanga (Italy, LVNVTI57E16I493K). The license, without the power to sub-license, includes the Licensee **Preemption** for future licenses on the same territory, in each **Commercial Segment** (ATECO / NACE); each license is understood to be active on the catchment area, as per specific legal extension of the country, for PRODUCTION / DISTRIBUTION, with sale anywhere, always in compliance with the free circulation of goods, where not precluded by third parties, even abroad. The license includes partnerships as per specific agreements or partnerships in business. Costs for consultancy and travel are excluded, which will be borne by the Licensee. The consideration for the "**Basic License** " provides for a percentage with the payment of an **Advance** , which is then reversed in subsequent half-yearly adjustments.

The NFTs are hired with the name WLW-CC (CC member country code WIPO / UN), they are Option rights on the acquisition of the specific basic license, by signing the relative advance; Once acquired, the NFTs can give rise to further negotiations to divide the rights into specific commercial segments (ATECO / NACE), in joint collaborations and in compliance with the first licensee's pre-emption.

PCRR JWTeam Srls, Innovative Startup in the Business Register, will welcome the best collaboration proposals, the date-time of receipt PEC to pcrjw@pec.it , will prove. **More details can be found in the downloadable documentation in the attached sections.**
